4. The 100-Point Cake Adjudication Model

95% — Independent Judges Panel

Four appointed judges evaluate every finalist on a 5-criterion rubric:

- Musicality / Technical Execution (20 pts)
- Biblical Depth & Message (20 pts)
- Originality & Creativity (20 pts)
- Stage Craft & Presentation (20 pts)
- Audience Engagement & Ministry (15 pts)

Subtotal out of 95. The four judges' raw subtotals are averaged.

5% — Verified Public Audience Vote

Audience members vote via email OTP verification (1 vote per person).

- Top vote-getter earns the full **5.0 points**

Final Score = (Judges Average / 95 * 95) + Audience Points - Overtime Penalties.
